

Get your career off to a flying start

Over 250 million jobs available!

More than 30,000 young professionals each year gain the skills to maximise job opportunities across the aviation, cargo, and travel & tourism industry sectors through IATA's Distant Learning programmes.

Explore the possibilities in...

International Cargo Training

Get cargo qualifications highly recognised by airlines, freight forwarders, civil aviation authorities and a network of 10,000 IATA cargo agencies worldwide.

International Aviation Training

Gain a competitive edge with internationally recognised qualifications. More than 230 IATA member airlines are seeking the next generation of industry leaders.

International Travel & Tourism Training

Prove your knowledge to potential employers. IATA's network of 70,000+ travel agents seek out IATA graduates while hiring.

IATA Certification

Recognising a new generation of global aviation leaders, able to operate across boundaries and lead our industry to future success.
